

Animal studies of exposures to radiofrequency fields

J Mark Elwood, Andrew W Wood

Published: 29 November 2019 (Vol 132 No 1506)

In the first published version of this manuscript, one correction for the above article was sent in post-publication:

In paragraph 8, line 12, the word 'mice' should read as 'rats'.

This was resolved online and in the PDF on 4 December 2019.
