Consultants in Emergency Medicine

- Multiple jobs in the metropolitan and regional towns in Hunter New England and Lower Mid North Coast regions of New South Wales.
- Craft the career and lifestyle you've always envisioned. Embrace either the laid-back coastal living or the peaceful tranquillity of the bush – the choice is entirely yours!

Manning Base Hospital – Staff Specialist or VMO (permanent or fixed term)

Armidale Rural Referral Hospital – Staff Specialist (permanent or fixed term)

Tamworth Rural Referral Hospital – Staff Specialist or VMO (fixed term)

Belmont District Hospital – Staff Specialist (permanent) and VMO (fixed term)

Maitland Hospital – Staff Specialist (fixed term)

John Hunter Hospital – Staff Specialist (fixed term)

Don't miss out on this exceptional opportunity to join a well-connected emergency medicine network and make a meaningful contribution to the largest local health district in New South Wales, catering to a population of over 900,000 across the Hunter, New England, and Lower Mid-North Coast areas. Work alongside experienced consultants to provide exceptional emergency medical care to both inpatients and outpatients of HNELHD. Multiple positions are available at rural and regional facilities across NSW (locations provided below). Take your pick from permanent full-time or fractional roles, with flexible work arrangements designed to support your quest for the perfect work-life balance.

Nestled in the heart of Australia, HNELHD boasts a diverse tapestry of landscapes, from coastal havens to serene countryside. Experience the perfect balance of urban sophistication and the tranquillity of nature, providing an ideal backdrop for a rewarding personal and professional life. Achieve the elusive work-life balance in a region that cherishes its laid-back lifestyle, enjoying leisurely weekends exploring pristine beaches, vibrant markets, and cultural events. Embark on a journey where your medical expertise aligns seamlessly with a high-quality lifestyle. Elevate your career, nurture your well-being, and become an integral part of a healthcare network that values and celebrates your contributions. Discover the perfect blend of professional satisfaction and life-enriching experiences with us!

The locations

- **Taree** – The [Manning Valley](#) is a natural wonderland on the NSW North Coast, featuring stunning beaches, waterfalls, farmland and outdoor activities for all. Enjoy fresh local produce including wine, oysters and farmers markets.
- **Armidale** – The picture-postcard university town of [Armidale](#) in the New England High Country, boasting heritage architecture, rock climbing sites, a thriving wine industry and easy access to national parks.
- **Tamworth** – The [Tamworth](#) region provides a diverse and enriching environment for residents, combining rural living with urban amenities and easy access to coastal and

metropolitan areas, making it an ideal place for families and individuals seeking a balanced lifestyle with abundant recreational, educational, and career opportunities.

- **Belmont** – Nestled in the picturesque [Lake Macquarie](#) region, offering breathtaking views, delectable dining spots, and lush parks ideal for weekend get-togethers with loved ones. Just a short distance away lie some of NSW's finest beaches, beckoning for relaxation and exploration. Nearby, you'll also discover the vibrant city of Newcastle, renowned Hunter Valley vineyards, and other captivating locales.
- **Maitland** – A growing community in the Lower Hunter Valley, [Maitland](#) offers great schools, outdoor activities, and a picturesque setting along the Hunter River, only 40 minutes from beaches and 15 minutes from Hunter Valley Wine Country.
- **Newcastle** – Enjoy world class beaches, heritage ocean baths and a vibrant social scene in this bustling coastal city just 2 hours north of Sydney. Find out more about [Newcastle & Lake Macquarie](#).

About You

- You're a fully qualified FACEM with specialist registration (Advanced Trainees within 6 months of completion are eligible to apply) or are on an approved pathway with the Royal Australasian College for Emergency Medicine.
